

*Grade 1*

Dear parents,

*GGIS* International School faculty and administration would like to welcome you to the new academic year 2019-2020. This year all the school members are excited about the opportunity to get to know our little angels. We are all looking forward to experience a happy and productive school year. We aim to create a well-planned program of learning activities for our enthusiastic, highly motivated early learners. We support this learning through a safe, well-organized, and well-resourced environment. Furthermore, we organize purposeful activities that are fun, relevant, and motivating for each child's stage of development and that are facilitated by a professional, knowledgeable, and flexible staff.

We would like to provide you with the list of all the necessary school stationery your children will need for each subject. Please make sure to buy these supplies as soon as possible.
